SECTION 6.2 [Section 6.2 · p.35]

SECTION 6.2. Distributions and Incentive Fees . (a) Timing . Prior to an Exchange Listing, and subject to availability and Section 6.4, the Fund shall cause Distributable Cash to be distributed to the Members as provided hereunder and to be paid to the Investment Manager as an incentive fee (the “ Pre-Exchange Listing Incentive Fee ”) and at such times as the Board of Directors determines in its sole discretion by designating amounts of Distributable Cash as available for distribution. Subject to the last sentence of this Section 6.2(a), and subject to the Investment Manager’s ability to recall any Distributable Cash to satisfy the Fund’s liabilities, it is expected that any such Distributable Cash shall be distributed within 15 Business Days after such designation. The Fund shall make distributions to the Members in accordance with the requirements of Section 852(a) of the Code and in a manner that seeks to eliminate or minimize, when appropriate, the imposition of U.S. federal income tax under Section 852(b) of the Code and/or U.S. federal excise tax under Section 4982 of the Code. Following an Exchange Listing, the Fund shall pay an incentive fee as provided in Section 6.2(c) herein (the “ Post-Exchange Listing Incentive Fee ”). For the avoidance of doubt, the change from paying the Investment Manager the Pre-Exchange Listing Incentive Fee to the Post-Exchange Listing Incentive Fee will be automatically effective at a time prior to an Exchange Listing to be determined in the sole discretion of the Board. (b) Pre-Exchange Listing Distributions of Distributable Cash and Payments of Pre-Exchange Listing Incentive Fee . Subject to the requirements of Section 852(a) of the Code, the Fund will make distributions of Distributable Cash and payments of the Pre-Exchange Listing Incentive Fee out of two categories: Current Proceeds and Disposition Proceeds (collectively referred to as “ Investment Proceeds ”). The Fund shall apportion each Member’s share of Investment Proceeds between Current Proceeds and Disposition Proceeds. Subject to Section 6.4, immediately prior to any distribution of Investment Proceeds attributable to all or any part of any Portfolio Investment(s), such amount shall initially be apportioned among the Members pro rata in accordance with their respective Capital Contributions in respect of such Portfolio Investment. Amounts apportioned to the Investment Manager shall be distributed to the Investment Manager. Investment Proceeds shall be divided between and distributed to all Members, on the one hand, and paid to the Investment Manager as a Pre-Exchange Listing Incentive Fee, on the other hand, in the following amounts and order of priority: (i) Disposition Proceeds apportioned to Members shall be divided between and distributed to Members, on the one hand, and paid to the Investment Manager as a Pre-Exchange Listing Incentive Fee, on the other hand, in the following amounts and order of priority: (A) Return of Capital Contributions . Administration Fees, Organizational Expenses and other Fund Expenses); (B) Member Preferred Return . Second, 100% of all remaining Disposition Proceeds to Members until they have each received cumulative distributions of Investment Proceeds, without duplication, pursuant to this clause (B) and clause (D) below and pursuant to Section 6.2(b)(ii)(A) and Section 6.2(b)(ii)(C) below equal to 6% per annum, compounded annually, on Member's Capital Contributions to the Fund (including amounts contributed to pay Pre-Exchange Listing Management Fees, Pre-Exchange Listing Administration Fees, Organizational Expenses and other Fund Expenses), determined on the basis of all Capital Contributions made by such Member and considering all distributions (including the subject distribution) under Section 6.2(b) made to such Member (computed from the dates that such Capital Contributions were due (or, if actually made later, the date on which such Capital Contributions were actually made) until the date that the Fund, in its sole discretion, designates Distributable Cash as available for distribution or, if no such designation is made, the occurrence of an Event of Dissolution) (the " Preferred Return "); (C) Investment Manager Catch Up to 10% . Third, 100% of all remaining Disposition Proceeds to the Investment Manager as a Pre-Exchange Listing Incentive Fee until the Investment Manager has received payments of Investment Proceeds with respect to Members pursuant to this clause (C) and Section 6.2(b)(ii)(B) equal to 10% of the total amounts due to Members and earned by the Investment Manager pursuant to clause (B) above and this clause (C) and pursuant to Section 6.2(b)(ii)(A) and Section 6.2(b)(ii)(B) below; and (D) 90%/10% . Thereafter, 90% of all remaining Disposition Proceeds to Members and 10% of all remaining Disposition Proceeds to the Investment Manager as a Pre-Exchange Listing Incentive Fee. In no event will the Investment Manager receive amounts of Pre-Exchange Listing Incentive Fees under clause (i)(C) and (i)(D) above in excess of the percentage of the Disposition Proceeds actually distributed to Members pursuant to clause (i)(B), (i)(C) and (i)(D) above. In no event will the Investment Manager receive amounts attributable to Disposition Proceeds that, as of any distribution or payment date, exceeds 20% of cumulative realized capital gains net of all cumulative realized capital losses and unrealized capital depreciation.
